Comparison of Publicly Submitted Plan and Proposed Plan

**Publicly Submitted Plan:**  
Congressional - Bill Hicks  
submitted January 16, 2022  
overall (total) deviation = 0.94%  
submitted districts are outlined black, deviation text black

**Proposed Plan:**  
Congressional - Hawaii Reapportionment Commission  
proposed September 9, 2021  
overall (total) deviation = 0.34%  
proposed districts are colored, outlined orange, deviation text orange

**Notes from Bill Hicks:**

"...state legislative districts shall be wholly included within congressional districts."

This plan aligns the Congressional District boundaries to match House District boundaries.

Alignment is achieved by using House District boundaries to form the Congressional District boundary.

This year 25 Oahu House Districts contain the correct population to form Congressional District 1 – and 9 Oahu House Districts contain the correct population to form the Oahu portion of Congressional District 2.

It provides full compliance with the Hawaii Revised Statutes Chapter 25 requirement that every legislative district be fully contained within one Congressional District as practicable. It is fully practicable for all 34 Oahu representatives and 16 of 17 Oahu senators!

**Oahu Details**

**The Northwestern Hawaiian Islands (not shown on map) are included as part of Congressional District 2 (CD2)**
